PROFESSIONAL SUMMARY

Junior Web Developer pursuing a Bachelor of Technology in Computer Science & Engineering (CSE), with a solid working foundation in HTML5, CSS3, and JavaScript built through hands-on internship experience creating responsive, user-focused web applications. Comfortable integrating third-party REST APIs, following Agile team practices, and writing clean, maintainable code using Git for version control. Actively strengthening core programming fundamentals in Python with Data Structures and Algorithms (DSA) and basic SQL, building a well-rounded foundation across front-end and back-end development.

CORE TECHNICAL SKILLS

Languages

- HTML5
- JavaScript (ES6+)
- Python
- SQL (Basic Concepts)
- JavaScript (ES6+)

Tools

- Git & Version Control
- Agile Methodology

Technologies & Concepts

- REST API Integration
- Responsive Web Design
- Data Structures & Algorithms
- Problem Solving

WORK EXPERIENCE

AENEXZ — Web Development Intern

2025 – 2026 (3 Months)

AI-Powered Web Application Development

- Developed an AI-powered image generation web application using modern front-end technologies, translating design requirements into functional, responsive interfaces.
- Integrated third-party REST APIs to enable real-time, prompt-based image rendering, improving application responsiveness and user engagement.
- Designed and implemented a responsive, user-friendly interface following UI/UX best practices across multiple device breakpoints.
- Optimized API request handling and data flow to ensure smooth performance, low latency, and reliable uptime.
- Conducted systematic testing and debugging to improve usability, functionality, and overall code quality prior to release.

EDUCATION

SVR Engineering College

2023 – 2027

Bachelor of Technology | 72.5%

Sri Chaitanya Junior College

2021 – 2023

Intermediate Education | 88.3%

Deepthi High School

2020 – 2021

Secondary School Education | 98.4%

CERTIFICATIONS

- National Cadet Corps (NCC) — 'B' Certificate

KEY STRENGTHS

- Project Management
- Team Collaboration
- Time Management
- Effective Communication
- Critical Thinking
- Leadership

LANGUAGES

English • Telugu • Hindi
